SUMMARY:

A highly motivated and dedicated recent graduate with a Bachelor's degree in English, driven by a passion to excel in the IT sector as a Full Stack Developer. Proficient in a wide range of web development technologies, including **HTML, CSS, Bootstrap, JavaScript,** and **SQL Server**. Adept in **Java,J2EE** with expertise in version control systems such as Git. Well-versed in leading Integrated Development Environments (IDEs) like Eclipse and Visual Studio. Skilled in utilizing design tools such as Figma, Photoshop, and Illustrator. Committed to continual self-improvement and enthusiastic about making a substantial contribution to the dynamic field of Software Development.

EDUCATION:

St Xaviers Arts and Science College, – *BA English,*Palayamkottai

June 2017-May 2020

PROJECTS:

Web Development:(Html5,Css3,Bootstrap,Javascript)

- **Weather App:**

  Developed a responsive weather app using HTML, CSS, Bootstrap, and JavaScript, showcasing front-end web development skills and real-time data integration for accurate weather updates.

- **To_Do_App:**

  Designed and developed a user-friendly to-do list application, highlighting skills in front-end web development and creating an intuitive task management tool.

- **Music Player App:**

  Developed a user-friendly music player app, showcasing strong audio playback and design skills.

- **Rock_Paper_Scissor-Game:**

  Developed a fun and interactive Rock, Paper, Scissors game, showcasing coding skills and game design.

- **Portfolio:**

  Built a sleek portfolio website to showcase skills and projects, emphasizing web development and design proficiency.

Backend-Development:(Html5,Css3,Bootstrap,Javascript, Java,sql server,J2ee)

- **BloodBank Management (CRUD):**

  A Blood Bank Management System using Java, JSP, Servlets, and SQL Server, streamlining donor registration, blood donation, and inventory management.

- **Online Exam Management (CRUD):**

  Administration, and grading of online exams, with user authentication and secure data storage.

- **Text Editor -Java Swing UI:**

  Text input, editing, saving, and loading files with an intuitive user interface.

- **Tic Tac Toe -Java Swing UI:**

  Designed and implemented an engaging Java-based Tic Tac Toe game project, showcasing problem-solving, strong programming skills, and an intuitive user interface..

- **Basic Calculator-Java Swing UI:**

  Designed and developed a basic calculator application, showcasing Java programming proficiency

SKILLS:

Programming Languages:

Core Java,J2Ee

Web Development:

HTML,CSS,Javascript,

Web Designing

Bootstrap framework

Databases:

SQL Server

Version Control System:

Git

Software Development Tool:

Eclipse,Visual Studio

Design Tools:

Figma,Illustrator,

PhotoShop

ADDITIONAL:

- Certified Full Stack Java Developer
- I regularly engage in coding on platforms such as HackerRank and Front-end Mentor
- Attended 3 Days Webinar on Web Development, Java,Git.
- Certified Responsive Web Design from Free Code Camp
- Certified ProblemSolving(Basic) from HackerRank

LANGUAGES:

Tamil,English
